June 10, 2021

Dear Parents:

The 2021-2022 school year is drawing near! More than ever, we are excited to welcome you and your child to the start of this new school year. Parents, we need full support in helping all of our students accelerate their learning to recover any learning loss that may have occurred due to the pandemic. Thanks in advance for your support!

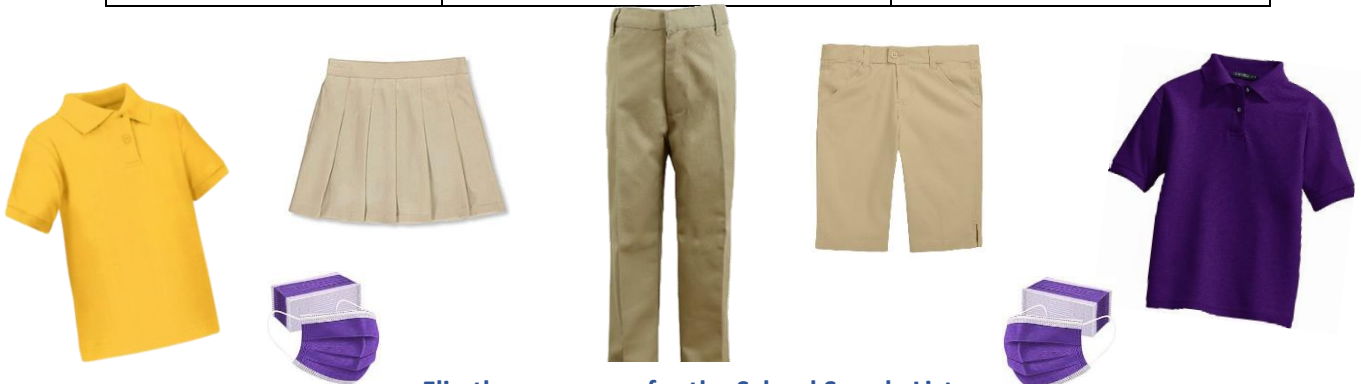

To help you prepare your child for a safe return to school, please note that **students will be required to wear school uniforms** for the 2021-2022 school year. (See the table below for the uniform colors.) In addition to the uniform, students must wear a face mask daily.

Our teacher teams have created a list of the essential supplies your child will need for the learning activities at each grade level. Please equip your child for success by providing the items on the attached school supply list.

Thanks for your support! We look forward to working with you and your child to make the 2021-2022 school year the BEST year ever!

Sincerely,
