

# Claiborne County School District

**2021-2022**

## Dropout Prevention Plan

Dr. Sandra Nash, Superintendent

# Statements of Assurance

On behalf of **Claiborne County School District**, I hereby submit a local Dropout Prevention Plan to provide goals, activities, and services necessary to meet the overarching goals of the state dropout prevention plan:

- Reducing the retention rates in grades kindergarten, first and second.
- Targeting subgroups that need additional assistance to meet graduation requirements.
- Developing dropout recovery initiatives that focus on students age seventeen (17) through twenty-one (21), who dropped out of school (i.e., Mississippi Works)
- Addressing how students will transition to the home school district from the juvenile detention centers.

I hereby certify that our school district will evaluate our district dropout prevention plan on an annual basis to determine appropriate changes needed for future school years.

I hereby certify that our District School Board has reviewed and approved this plan on **July 14, 2021** for submission to the Mississippi Department of Education.

**District Name:** Claiborne County School District

# **Dropout Prevention Plan**

## **2021-2022**

### **Purpose**

In accordance with state law, each school district shall implement a yearly Dropout Prevention Plan that is board approved and posted on the district website homepage. The plan must include goals, activities, and services for: reducing retention rates in kindergarten, first, and second grades; targeting subgroups that need additional assistance to meet graduation requirements; developing dropout recovery initiatives that focus on students age 17 through 21 who have dropped out of school; addressing transition plans for students returning to school from juvenile detention centers; and identifying students at-risk of dropping out and providing support via analyzing strong predictors such as but not limited to student attendance, behavior, and course performance. A comprehensive Dropout Prevention Plan has been devised for Claiborne County School District to address District and community concerns for students at risk of dropping out of school. The plan encompasses goals, objectives, initiatives, and action plans to help all students meet or exceed the Mississippi College and Career Readiness Standards. The plan is intended to serve as a resource guide and to explain what the District is doing to address factors that may cause students to drop out of school.

### **Goals and Objectives**

The Claiborne County School District Dropout Prevention Plan includes objectives, strategic initiatives, and activities required to meet the three critical objectives of the state's strategic plan:

1. increasing the state graduation rate,
2. reducing the state dropout rate, and
3. reducing the truancy rate.

The 2021 graduation rate for Claiborne County School District is 87.5, and the 2021 dropout rate is 8.9%. Our long-term goal is to attain a graduation rate at or above 90% and a dropout rate of less than 5%. To achieve this goal, the District will focus on the following two primary objectives.

1. Improve academic outcomes for all students (Goal 1 from the CCSD 5-Year Strategic Plan)
2. Decrease excessive absenteeism and maintain a 95% or higher ADA at all schools and for the District.

In formulating this plan, the District incorporated key elements of the National Dropout Prevention Center's 15 Effective Strategies (Appendix A).

Ultimately, this dropout prevention plan complements and is grounded in the work of the District's 5-Year Strategic Plan (Appendix B).

## **Identifying At-Risk Students**

The District uses the following key indicators to identify students most at risk of dropping out or most "in danger" of failing to attain acceptable levels of academic achievement.

### **Educational Indicators**

- Attendance rates
- Retention rates of students in kindergarten through second grade
- Passage rate on third grade reading summative assessment
- Passage rates on subject area tests
- Results of formative and progress monitoring assessments (STAR/MKAS, iReady)
- Two or more grade levels behind peers

### **Behavioral Indicators**

- Office Referrals
- Suspensions
- Chronic absenteeism
- Excessive tardies and/or dismissals

### **Socio-Economic Indicators**

- Free and reduced lunch benefits
- Homeless, migrant, and unaccompanied youth designations
- English Learners

## Analysis of Data

### Attendance Data Trends (7-year period)

Average Daily Attendance							
	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
A.W. Watson Elementary	96.6	95.8	97.5	93.8	97.6	95.8	89.7
Port Gibson Middle	99.0	96.5	97.5	95.2	97.7	95.6	98.6
Port Gibson High	97.2	95.9	94.1	96.8	90.1	97.0	67.7
District	97.4	95.7	96.5	95.0	95.3	96.1	

### District Accountability Data

Accountability Ratings							
	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20	2020-21
A.W. Watson Elementary	D - 176	F - 260	D - 318	C - 345	L: F - 154 U: F - 243	-----	-----
Port Gibson Middle	C - 266	F - 238	F - 255	D - 319	D - 337	-----	-----
Port Gibson High	C - 464	F - 442	C - 588	D - 557	F - 487	-----	-----
District	C - 374	F - 427	D - 481	D - 530	F - 477	-----	-----

## Student Demographic Data

2020-2021 District Enrollment Data						
	A.W. Watson Elem. School (PK-6)		Port Gibson Middle School (6-8)		Port Gibson High School (9-12)	
Cumulative Enrollment	621		344		376

5-Year Graduation Rate					
	2017	2018	2019	2020	2021
Rate	81.1	87.2	87.7	78.0	87.5
% Change	-	+6.1	+0.05	-9.7	+9.5

<b>5-Year Dropout Rate</b>					
	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>
<b>Rate</b>	13.1	11.7	6.2	11.9	8.9
<b>% Change</b>	-	-1.4	-5.5	+5.7	-2.0

**Prioritized List of Needs to Address Factors that Contribute to Dropout Rates** *(based on analysis of data and surveys)*

1. Students whose assessment data shows no or limited growth
2. Office discipline referrals
3. District-wide absenteeism
4. Students who are two or more grades behind
5. Retained students in kindergarten through second grade
6. Home-School Collaboration

**Goals**

**Short Term Goals**

1. Improve ADA and decrease excessive absences for at-risk students.
2. Increase academic performance of students
3. Increase the number of and variety of communications to families from the District.
4. Decrease number of students who fail subject area tests.
5. Increase the passage rate on the 3<sup>rd</sup> grade reading summative assessment.
6. Reduce the number of students retained in kindergarten through second grade without negatively impacting passage rate on the 3<sup>rd</sup> grade reading summative assessment.
7. Reduce office/discipline referrals.

## Long Term School Plan Goals

<b>Goal 1:</b>	To reduce the number of students who retain or receive failing grades, especially in K-2
<b>Goal 2:</b>	To reduce the number of office discipline referral for targeted subgroups that need additional assistance to meet graduation requirements.
<b>Goal 3:</b>	To develop dropout recovery initiatives that focus on students age seventeen (17) through twenty-one (21), who dropped out of school
<b>Goal 4:</b> (If applicable)	To address how students will transition to the home school district from juvenile detention center

**Goal 1:** By the end of the 2022-2023 school year, the number of students in K-2 failing or receiving failing grades will be reduced by 15%.

Focus Area:  Attendance  Behavior  Course Performance  Other

<b>S</b>	<b>Specific</b>	S – is the goal <b>specific</b> ?  Targeted interventions, remediation, and supports will be provided to help students in various subgroups who are at risk of failure due to academics, behavior, and/or attendance.
<b>M</b>	<b>Measurable</b>	M – is the goal <b>measurable</b> ?  A reduction in the number of students failing or receiving failing grades will be noted.
<b>A</b>	<b>Achievable</b>	A – is the goal <b>achievable</b> ?  By examining quarterly data, we will know when this goal has been achieved.
<b>R</b>	<b>Relevant</b>	R – is the goal <b>relevant</b> to performance expectations?  This goal is directly linked to improvements in student performance that will ultimately reduce the likelihood that students will dropout.
<b>T</b>	<b>Time Bound</b>	T – is the goal <b>time bound</b> ?  Each quarter and annually, the progress toward attainment will be measured.

Timeline	Action	Resources Needed/Source	Person(s) Responsible	Person(s) Involved
July/August Annually	Analyze district data; develop action plans	Access to student data	District/School Administrators	District/School Leadership Teams
September/October annually	Communicate plan to all stakeholders	Time	District/School Admin/Teachers	Parents, Families Community
August Annually	Renew I-Ready Subscription	Funding/Federal Programs	Federal Programs Director	Principal
August Annually	Establish intervention roster	Baseline Data Previous Year's Benchmark Data	Principal	School Leadership Team
Quarterly	Provide on-going PD for	District, school-based	District/School	All Teachers and

2020-2023	teachers	and external providers	Administrators	Instructional Staff
Ongoing 2020-2023	Implement high-quality Tier 1 instruction w/supports	Standards-aligned curriculum & materials	Teachers	Teachers Students
Ongoing 2020-2023	Implement a strong program of intervention to support at-risk learners	Evidence-based interventions & curriculum materials	Administrators Teachers Interventionist	Teachers Interventionist Students
June 2023	Re-assess overall plan and formulate new goals	Access to student data	District/School Administrators	District/School Leadership Teams

**Goal 2:** By the end of the 2022-2023 school year, we will reduce the number of office discipline referrals (ODR) for targeted subgroups that need additional assistance to meet graduation requirements by 15%.

Focus Area:  Attendance  Behavior  Course Performance  Other

<b>S</b>	<b>Specific</b>	S – is the goal <b>specific</b> ? All instructional and support staff will receive refresher training on PBIS with special emphasis on at-risk populations.
<b>M</b>	<b>Measurable</b>	M – is the goal <b>measurable</b> ? When fully implemented, students will receive support to help them manage behaviors thereby reducing office discipline referrals.
<b>A</b>	<b>Achievable</b>	A – is the goal <b>achievable</b> ? Making sure we have 100% buy-in and full implementation of PBIS initiatives is essential for reducing our dropout rate and improving the graduation rate.
<b>R</b>	<b>Relevant</b>	R – is the goal <b>relevant</b> to performance expectations? Students need research-based, evidence-proven strategies to experience success.
<b>T</b>	<b>Time Bound</b>	T – is the goal <b>time bound</b> ? Continuous monitoring and ongoing implementation with fidelity are required to make this work.

Timeline	Action	Resources Needed/Source	Person(s) Responsible	Person(s) Involved

June 2023	Re-assess overall plan and formulate new goals	Access to student data ODR, Attendance	District/School Administrators	District/School Leadership Teams

**Goal 3:** By the end of the 2022-2023 school year, we will attain a 90% graduation rate and reduce the dropout rate to 5% or less by implementing focused dropout recovery initiatives targeting students age seventeen (17) through twenty-one (21), who dropped out of school.

Focus Area:  Attendance     Behavior     Course Performance     Other

<b>S</b>	<b>Specific</b>	S – is the goal <b>specific</b> ? The District will leverage its resources to implement evidence-based, research-proven dropout prevention strategies to improve our graduation rate.
<b>M</b>	<b>Measurable</b>	M – is the goal <b>measurable</b> ? Data of the indicators of success will be reviewed quarterly and yearly to note progress toward attainment.
<b>A</b>	<b>Achievable</b>	A – is the goal <b>achievable</b> ? We expect to see incremental gains each quarter with the ultimate goal of 90% in the 2023 school year.
<b>R</b>	<b>Relevant</b>	R – is the goal <b>relevant</b> to performance expectations? Having partners in business and industry will enhance our ability to ensure students are career-ready and motivated to complete high school.
<b>T</b>	<b>Time Bound</b>	T – is the goal <b>time bound</b> ? We estimate attainment of the goal to take 2 to 3 years.

Timeline	Action	Resources Needed/Source	Person(s) Responsible	Person(s) Involved

## Plan to Progress Monitor of Long Term Goals

- **How and when will the team monitor the plan?** At the end of each quarter, the team will monitor the plan by examining student data (course performance, attendance, ODR, etc.) to determine indicators of progress toward attainment of the goal.
- **What is the procedure? What are the timelines? Who is responsible?** The MTSS/EWS teams on each campus will conduct the quarterly reviews at pre-established intervals that are communicated to everyone at the onset of each school year. The principal is responsible for ensuring that all MTSS /EWS team members are informed of the meeting and that relevant data is presented for the team’s review.
- **How will the team know they are having a positive impact?** The team will know if they are having a positive impact when declines in the number of students receiving failing grades or the number of students retained in a grade reach the desired number set in the goal.
- **How might the plan be adjusted if and when challenges occur?** The team might need to adjust the plan due to challenges; if such is the case, revisions will be made based on the need as indicated by the data.
