Seamless Summer Option Program

Dear Parent or Guardian:

We are pleased to announce that the Claiborne County School District will participate in the Seamless Summer Option Program for the 2021 -2022 academic school year.

What does Seamless Summer Option mean to you and your children attending the Claiborne County School District?

Great news! It means that students enrolled with the Claiborne County School District are eligible to receive a healthy breakfast and lunch at school at **no cost** to your household each day of the 2021-2022 school year. No further action is required of you. In addition, your child(ren) will be able to participate in this meal program without having to pay a fee or submit an application.

If we can be of further assistance, please contact us at (601) 437-4232.

Sincerely,

A handwritten signature in black ink that reads 'Sandra R. Nash'. The signature is written in a cursive style with a large, flowing 'S' and 'N'.
