

CCSD Extends Summer Meals Program Through December 2020

The Claiborne County School District Child Nutrition Department applied for a waiver and was approved to extend the Summer Food Service Program through December 2020 or until USDA funds run out. This program allows the district to serve children 18 years of age and under, even if they are not enrolled in the Claiborne County School District.

Meals are being delivered in the community on Regular Bus Routes.

Please ensure your child/children pick up his/her free meals. We want to give all students the opportunity to receive a nutritious meal. Let us all get on board to make sure our children enjoy a healthy balance meal each day.
