

Claiborne County School District Received Donation from Hometown Supporter

The Claiborne County School District is grateful for the continued support of Mr. Jeffrey Wilson of North America Security Services. Recently, Mr. Wilson expanded his philanthropic efforts in the CCSD by paying the usage fee for four (4) students at AWWES. Additionally, he purchased three (3) workout benches with wheels for the PGHS Football Team and outfitted the PGHS Basketball Team with blazers and tennis shoes.

A warm and sincere “thank you” is extended to Mr. Jeffrey from the CCSD administration, faculty, staff, and students. We applaud your sustained efforts to give back to the Claiborne County School District.
